Dear Farid!

Thank you very much
for the poster you sent
me last week.
And it was very nice
to talk with you
again Farid. Though you
were not too happy
when I spoke to you.
Well, it seems to
me that your biggest
dream will not come
~~through~~ through in the
first two-three years.
Let's not be too des...
Well, Farid be patient
I am sure everything
will work out for
you soon. I do under-
stand that you're
not too happy about
what's happening to you
right now, and it makes
me feel sad that

you're taking it so hard.
Oh, ~~the~~ I know that
you are able, and that
you need someone
desperately, but you've
been patient for
so long so don't waste
it on someone
who is not worth it!
Then ~~with~~ is one for
you as well, just try
to be patient, and
don't sleep or anything
like that ~~with~~ someone
you ~~of~~ can't or don't
want to marry. ~~the~~
The Egyptian girl can't
love you, and you can't
love her. Because you ~~can't~~^{never}
know each other
for a long time, and
if you can't discuss
the first big problem
between you two as
grown up people then

it's nothing! Imagine
how ~~it's~~ I would
be between you
two if you ^{got}
married! Well, if you
ask me, you don't
really love her and
Do you? You're not
~~so~~ certain about
that Farid!!!

I wish you all the
best in life and, ~~and~~
I really do, and it makes
me very unhappy to
hear how ~~depressed~~
desperate you are now.
I know you need
someone, not just
someone, but a ^{very} special
person who can
appreciate what you
stand for. And a person
you can talk with
that only a person
you can ~~have~~ make

love to and have
babies with! Life is
a lot more than that!
You should know
that! Ok, you have
to marry a muslim
girl, but I am sure
you can find a
very nice muslim
girl you can get
on with. To love
a person means that
you love all her/his problems
and faults. Not only
because she has the
same religion as
you. The best way
to be happy is to
make sure that the
other person you love
is happy. Well, I know
that I am not the
right person to give
you advices because
I haven't been to good
myself.

But I've got an idea about how you can be happy with ~~an~~ person you love. I hope everything works out for you!! Well, everything is ok here in Bergen, ~~ers~~ should I say Voss (?) I'm doing fine, and I like what I am doing at school now. So I might come to England next year. Well see!

It was nice to talk to your mother, she sounded very sweet actually. I wish I had a nice mother! Well, I have to say goodbye for now and write soon than.
Love from Heidi
