Dear Farid,

How are you Farid?
It was very nice talking
to you again! It's always
nice talking to you.
You're such a nice
person, and you know
that too. But how
are you now, have you
heard anything ~~the~~
from the Egyptian girl
recently? How are your
mother? Is she doing
fine or what? I don't
understand why your
father won't leave
her alone, and I don't
understand why he is
not treating your mother
better than he do. Of
what you've told me
she is such a good
and warm person. She
deserve far better than
this! Well, I've got
nothing to tell you
actually. There's no news.
But I am doing fine, and
again. I hope you're fine

too. I havent got the
money yet but I will soon.
so will see what happen.
I might come and see
you, I dont know.

"Have it"!

lots of love, Heidi.

I hope I hear from you
soon.
